5. Such other certificates, documents and other information as the Director may reasonably require.

If the Director finds that the documents are in compliance with the requirements of this Agreement, the Director is authorized and directed to cause the disbursement of moneys from the Fund for payment of the identified Project costs. A copy of all such documents submitted to the Director shall be retained by the Director.

The Recipient must demonstrate that such funding is necessary for the completion of the Project and the cost overrun was the result of circumstances beyond the Recipient's control, that it could not have been avoided with the exercise of due care, and that such circumstances could not have been anticipated at the time of the Recipient's initial application. Should the District Committee approve such request the action shall be recorded in the District Committee's official meeting minutes and provided to the OPWC Director for the execution of an amendment to this Agreement.

The Recipient may use its legally applicable construction requirements for the Project, including, but not limited to, its legally applicable requirements, if any, for the retaining of certain amounts from payments to be made to contractors in lieu of the requirements of Sections 153.12, 153.13, 153.14 and 153.63 of the Revised Code.

Recipient shall execute any and all other documents and certificates as deemed necessary by the Director, subject to the opinion of counsel to the Director, as well as any required by changes in State or Federal Law, on the date hereof or at any time hereafter in connection with the financial assistance and disbursement of moneys pursuant to this Agreement, including any amendments to this Agreement.

Re: Project No. CD37T

Dear Ms. Merrick:

Harrison Township's request for financial assistance has been approved for the project entitled Sumpter Plat Improvements in the amount of $198,616. The project's Chief Executive Officer, Kristofer McClintick, has been mailed the agreement for review, execution and return to our office. You may view the Agreement on our web site at http://www.pwc.state.oh.us/.

As the Chief Fiscal Officer designated in the Project Agreement, your role in carrying out the project is important. The following information is available on our web site on the Chief Financial Officers Page (Financial Tab) to assist you.

• Instructions for the completion of Appendix E describe how to complete the Appendix E (disbursement form) that is attached to the Agreement. This three-page form must always be signed by the three authorized authorities. If any of the authorities change we must be notified in writing. The disbursement process is also described in Section VI of the Project Agreement entitled "Disbursements". Your local share of this project will be the percentage of actual costs approved by the Commission based on the Participation Percentages as defined in Section I of the Agreement.

• Auditor of State Technical Bulletin 2002-04 explains the accounting methods to be used for Commission funded projects.

• W-9 and Vendor Information forms are only required for those vendors who have not done business with the State of Ohio, and if you'll be requesting us to pay your vendors directly.

• A sample "Payment Confirmation letter" which will be mailed to you for all disbursements made for this project. Letters are mailed monthly during the third week for the prior month's activity. Review your letters carefully and advise us of any errors or omissions.
To facilitate timely payments for this project your vendors are encouraged to enroll in the Ohio Shared Services' EFT Program. This program can reduce processing time by 2-3 business days in that disbursements are completed electronically to your vendor's bank account. The vendor may apply for EFT through our web site's CFO Page (referenced above) which provides the link to Ohio Shared Services. Questions should be directed to them at 877/644-6771.

We will not make a disbursement to any vendor unless we have received and authorized a Request to Proceed. We recommend that you meet with your Project Manager to discuss the Request to Proceed, disbursement process, and your respective responsibilities.

If you have questions, contact your Program Representative, Donna Kirkbride, at 614/644-1942. Please reference your project number when calling or writing to us in order to expedite service.

- Contractual requirements for bid documents.
- In-Kind Contributions Allowable Costs - Information on how to document labor, equipment and materials.
- Instructions for the completion of Appendix E describe how to complete the Appendix E (disbursement form) that is attached to the Agreement. This three-page form must always be signed by the three authorized authorities. If any of the authorities change we must be notified in writing. - Request to Proceed form and instructions
- Program Advisories

For projects administered by the Ohio Department of Transportation (ODOT) there is a separate disbursement relationship between the Commission and ODOT. Our office provides ODOT with the Project Agreement which ODOT uses as a "letter of credit" in place of the local subdivision's actual cash payment or "escrow deposit". If your subdivision has already deposited funds to an escrow account with ODOT, they will refund the amount of funds offset by the Commission to the local subdivision.
To facilitate timely payments for this project your vendors are encouraged to enroll in the Ohio Shared Services' EFT Program. This program can reduce processing time by 2-3 business days in that disbursements are completed electronically to your vendor's bank account.
