for federal income tax purposes and such opinion is accepted by the Director.

If either party hereto at any time fails to require performance by the other of any provision of this Agreement, such failure in no way affects the right to require such performance at any time thereafter, nor shall the waiver by either party of a breach or default under any provision of this Agreement be construed to be a waiver of any subsequent breach or default under that provision or any other provision of this Agreement.

SECTION XXI. Acceptance by Recipient. This Agreement must be signed by the Chief Executive Officer of the Recipient and returned to, and received by, the OPWC within forty-five (45) days of the date written on the first page of this Agreement. Failure of the

Construction must begin within 30 days of the date set forth herein for the start of construction, or this Agreement may become null and void, at the sole option of the Director. However, the Recipient may apply to the Director in writing for an extension of the date to initiate construction. The Recipient shall specify the reasons for the delay in the start of construction and provide the Director with a new start of construction date. The Director will review such requests for extensions and may extend the start date, providing that the Project can be completed within a reasonable time frame.

The information detailed in this Appendix A shall serve as the basis for Project monitoring purposes and for determining Project acceptance upon its completion. In the event that circumstances require a change in physical scope, such changes must be approved through the execution of a formal Amendment to this Project Agreement.
APPENDIX B

PROJECT ADMINISTRATION DESIGNATION

The Project Administration Designation required by Section VI. A. of this Agreement, and in accordance with the definitions set forth in Section I of this Agreement, for the sole purpose of administering the Project, as defined and described in Appendix A of this Agreement, under Chapter 164 of the Revised Code and Chapter 164-1 of the Administrative Code is hereby established as follows:

The Recipient designates:

1.) **Brian Governor/Chairman** to act as the Chief Executive Officer;

2.) **Carmen Heasley/Fiscal Officer** to act as the Chief Fiscal Officer; and

3.) **Keith Rogers/Admin/Supt.** to act as the Project Manager.

Upon any change in such a designation, the Recipient shall immediately provide written notification to the OPWC.
APPENDIX C
PROVISION OF FINANCIAL ASSISTANCE

GRANT

As authorized by Section II of this Agreement for the sole and express purpose of financing the Project defined and described in Appendix A of this Agreement, the estimated costs of which are set forth and described in Appendix D of this Agreement, the OPWC hereby agrees to provide financial assistance, subject to the terms and conditions contained in this Agreement, from the State Capital Improvements Fund which constitutes the proceeds of the Infrastructure Bonds, in an amount not to exceed One Hundred Forty-Nine Thousand, One Hundred Seventeen Dollars ($149,117). This financial assistance shall be provided in the form of a Grant. The OPWC Grant Control No. is CF14T.

Once this grant amount is fully expended, the loan amount, which is part of this Project Agreement, will be drawn on for disbursing the remaining OPWC obligations contained in this Agreement. An exception applies if the loan amount is necessitated for the local share. In which case, grant and loan assistance will be disbursed concurrently.

LOAN

Article 1.1, Determinations of Director. Pursuant to the Act and Section II of the Agreement and subject to the remaining terms and provisions of the Agreement and all Appendices thereto, the Director hereby determines that the financial assistance to be provided by the OPWC to the Recipient is in compliance with the Act and is provided to the Recipient for the sole and express purpose of financing the Eligible Project Cost and/or reimbursing the Recipient for such Eligible Project Cost.

Article 2.1, Definitions. All of the capitalized terms contained in this Appendix shall have the same meanings as defined in the Agreement unless otherwise defined herein and shall be in addition to any other terms defined herein:

(a) "Agreement" means the Project Agreement by and between the OPWC and the Recipient and all appendices thereto which are attached to the Agreement and made a part thereof and incorporated by reference in this Appendix.

(b) "Eligible Project Costs" means such portion of the Project costs disbursed and loaned from the OPWC to the Recipient for the sole and express purpose of acquiring, constructing, reconstructing, expanding, improving, engineering and equipping the Project, other direct expenses, and related financing costs thereto.

(c) "Project" means the Capital Improvement Project described in Appendix A of the Agreement.

(d) "Repayment Amount" means the amount to be paid by the Recipient to the OPWC on each payment date of each year during the Term pursuant to the terms and conditions of the Note.

(e) "Term" means the period in which the Agreement shall be in full force and effect, commencing on the date hereof and continuing until the next January 1 or July 1 following completion of construction of the Project or until the January 1 or July 1 following the day in which the obligations of the Recipient hereunder have been fully satisfied, whichever date is later.

(f) "Note" means the promissory note provided to the Chief Financial Officer of record.

(g) "Utility" means the Project if the Project is or upon completion of construction of the Project, will be a facility which generates revenues from fees, charges or taxes associated with the use of the facility.

Article 3.1, The Loan. On the terms and conditions of the Agreement which are incorporated herein and made a part hereof, the OPWC shall lend to Recipient and Recipient shall borrow from the OPWC an amount not to exceed Sixty-Six Thousand, Nine Hundred Ninety-Five Dollars ($66,995), the proceeds of which shall be utilized solely to finance the Eligible Project Costs and/or reimburse the Recipient for its advance payment of such Eligible Project Costs (the "Loan"). The Loan shall be disbursed by the OPWC to the Recipient pursuant to Section VI of the Agreement. The terms of repayment of the Loan shall be as set forth in the Note and Recipient shall make all payments required to be made under the Note as and when due.
Article 3.2. In the event the Project to be constructed hereunder is or will be a Utility, the Recipient hereby agrees to the following:

(a) It shall at all times prescribe and charge such rates, fees, charges or taxes as shall result in revenues at least adequate to meet operation, maintenance and all expenses of the Utility and the payment of all amounts required by the Note;

(b) It shall permit any authorized agent of the OPWC to inspect all records, accounts and data of the Utility at any reasonable time; and

(c) It shall segregate the revenues, funds, properties, costs and expenses of the Utility from all other revenues, funds properties, costs and expenses of the Recipient.

Article 3.3. The Recipient shall pay to the OPWC an amount equal to the Repayment Amount as and when due as provided in the Note from (i) any source of revenues of the Recipient, or (ii) in the event the Project is or will be a Utility, the Recipient shall make such payments from the revenues of such Utility; provided, however, that if otherwise lawful, nothing herein shall be deemed to prohibit the Recipient from using, of its own volition, any of its general revenues or other revenue sources for such payments. The obligation of the Recipient to pay the Repayment Amount shall not be assignable, and the Recipient shall not be discharged therefrom, without the prior written consent of the OPWC. During the first fifteen (15) days of May and November of each year during the Term, the OPWC shall invoice the Recipient for the sum due and owing the OPWC and the payment of each such invoice shall be made by the Recipient to the OPWC not later than the first day of July or the last business day of January. The Director at his sole discretion may adjust repayment schedules based on the administrative needs of the Lender. Any failure of the OPWC to invoice the Recipient shall not otherwise release the Recipient from its obligations to pay the Repayment Amount as and when due or otherwise fulfilling its obligations hereunder.

Article 3.4. The Recipient shall pay the Local Subdivision Contribution as provided in Section VIII of the Agreement and Appendix D. If the Term commences prior to the determination of the final costs of the Project, the Repayment Amount and the Local Subdivision Contribution shall be based upon the best figures available at the time of execution of the Agreement or as amended from time to time. When such final costs of the Project are greater than or less than the estimated costs of the Project as set forth in Appendix D, the amount of the Loan and the Note shall be adjusted in accordance with the terms and conditions of the Note and the Local Subdivision Contribution shall be paid in full by the Recipient as and when due.

Article 3.5. In the event the final costs of the Project are greater than the estimated costs of the Project, the Recipient's Local Subdivision Contribution shall be increased by an amount equal to the difference between the final cost of the Project and the estimated cost of the Project.

Article 3.6. Subject to the terms and conditions of the Agreement, the Eligible Project Costs shall be paid by the OPWC not to exceed the amount established in the Agreement. In the event the Agreement is terminated by the OPWC pursuant to, but not in breach of, the provisions of the Agreement, or by subsequent agreement of the parties, or in the event the Agreement is terminated by the Recipient, whether or not in breach of the Agreement, the Eligible Project Costs incurred in connection with the construction of the Project shall be paid by the Recipient and the OPWC shall be released from paying the Eligible Project Cost. Any moneys paid to the OPWC by the Recipient under the provisions of this Section shall be repaid in not more than one (1) year after termination with interest on the remaining balances at the Default Interest Rate.

Article 3.7. Prior to the disbursement of the Loan, the Recipient shall demonstrate to the satisfaction of the Director the capability of the Recipient to pay the Repayment Amount and the Local Subdivision Contribution. The Director may withhold any disbursement during the Term if he reasonably believes that the Recipient is unable to pay the Repayment Amount or its Local Subdivision Contribution as and when due.

Article 3.8. Upon completion of the Project, the Recipient shall make a full and complete accounting to the OPWC of the Eligible Project Cost.

Article 3.9. If prior to the completion of the Term the Project shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty, there shall be no abatement or reduction of the Repayment Amount or the Local Subdivision Contribution payable by the Recipient pursuant to Article 3.2 hereof, and the Recipient shall at its cost and expense (i) promptly repair, rebuild or restore the property damaged or destroyed in substantially the same condition before such damage or destruction, and (ii) apply for any proceeds from insurance policies for claims for such losses as well as utilizing any additional moneys of the Recipient to repair, rebuild and restore the Project.
Article 3.10. In the event that title to or the temporary use of the Project, or any part thereof, shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, there shall be no abatement or reduction in the amount of the Repayment Amount or the Local Subdivision Contribution payable by the Recipient, and any net proceeds received from any award made in such eminent domain proceedings shall be paid to and held by the Recipient in a separate condemnation award account and shall be applied by the Recipient in either or both the following ways as shall be determined by the Recipient:

(a) The restoration of the improvements located on the Project Site to substantially the same condition as they existed prior to the exercise of said power of eminent domain; or

(b) The acquisition of additional real estate, if necessary, and facilities, by construction or otherwise, equivalent to the Project, which real estate and facilities shall be deemed a part of the Project without the payment of any amounts other than herein provided, to the same extent as if such real estate and facilities were specifically described herein.

Any balance of the net proceeds of the award in such eminent domain proceedings shall be paid to the Recipient upon delivery to the OPWC of a certificate signed by the Chief Executive Officer of the Recipient that the Recipient has complied with either paragraph (a) or (b), or both, of this Section. The OPWC shall cooperate fully with the Recipient in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof. In no event will the Recipient voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the OPWC.

Article 3.11. The Recipient agrees that each of the following shall be an event of default ("Event of Default") under this Agreement:

(a) The Recipient shall fail to make any payment to the OPWC of the Repayment Amount required as and when due under the Note and/or the Recipient fails to pay its Local Subdivision Contribution.

(b) The Recipient shall fail to observe and perform any obligations, agreements or provisions of the Agreement and all Appendices thereto, which failure shall continue for thirty (30) days after receipt of written notice thereof from the OPWC.

Article 3.12. Whenever an Event of Default shall have happened and be subsisting, in addition to any other rights or remedies provided herein, the Note, by law or otherwise:

(a) The amount of such default, in the event the Recipient defaults on the Repayment Amount, shall bear interest at eight percent (8%) per annum ("Default Interest Rate"), from the date of the default until the date of the payment thereof, and all the costs incurred by the OPWC in curing such default including, but not limited to, court costs all other reasonable costs and expenses (including reasonable attorney's fees) shall be repaid by the Recipient to the OPWC as a part of the Repayment Amount.

(b) The Director may in his sole and complete discretion and in accordance with Section 164.05 of the Revised Code, direct the county treasurer of the county in which the Recipient is located to pay the amount of any default hereunder from the funds which would otherwise be appropriated to the Recipient from such county's undivided local government fund pursuant to Sections 5747.51 to 5747.53 of the Revised Code.

(c) The OPWC shall be released from any and all obligations to Recipient hereunder.

(d) The entire principal amount of the Loan then remaining unpaid, together with all accrued interests and other charges shall, at the OPWC's option, become immediately due and payable.

Article 3.13. No right or remedy conferred upon the OPWC under Article 6.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.
Article 3.14. Notwithstanding any provision contained in this Appendix, the promissory note, or any other provision of this Agreement, should the Repayment Amount equal $5,000 or less, it shall be paid to the OPWC in two equal payments according to the invoice schedule established in Article 3.3.

Re: Project No. CF14T/CF15T

Dear Ms. Heasley:

Canfield Township's request for financial assistance has been approved for the project entitled Starr Centre/Old Tippcanoe Storm/Rd Rehabilitation Phase 1 in the amount of $216,112. The project's Chief Executive Officer, Brian Governor, has been mailed the Agreement for review, execution and return to our office. You may view the Agreement on our web site at http://www.pwc.state.oh.us/.

As the Chief Fiscal Officer designated in the Project Agreement, your role in carrying out the project is important. The following information is available on our web site on the Chief Financial Officers Page (Financial Tab) to assist you.

• Instructions for the completion of Appendix E describe how to complete the Appendix E (disbursement form) that is attached to the Agreement. This three-page form must always be signed by the three authorized authorities. If any of the authorities change we must be notified in writing. The disbursement process is also described in Section VI of the Project Agreement entitled "Disbursements". Your local share of this project will be the percentage of actual costs approved by the Commission based on the Participation Percentages as defined in Section I of the Agreement.

• Auditor of State Technical Bulletin 2002-04 explains the accounting methods to be used for Commission funded projects.

• W-9 and Vendor Information forms are only required for those vendors who have not done business with the State of Ohio, and if you'll be requesting us to pay your vendors directly.

• A sample "Payment Confirmation letter" which will be mailed to you for all disbursements made for this project. Letters are mailed monthly during the third week for the prior month's activity. Review your letters carefully and advise us of any errors or omissions. Please note that for grant/loan combinations there will be a letter for funds disbursed under the grant number and a separate letter for funds disbursed under the loan. Grant funds are typically drawn on first but exceptions apply, especially if the loan serves as a portion of or all of the required local match.
In addition to the above information on our web site we have enclosed various loan documents as follows: Loan Guidance, Instruction for Declaring Official Intent, Notification of Disbursement Method, and Sample Resolution. Also enclosed is the Promissory Note which you must sign and return to the OPWC Loan Officer, Abbey DeHart.

For projects administered by the Ohio Department of Transportation (ODOT) there is a separate disbursement relationship between the Commission and ODOT. Our office provides ODOT with the Project Agreement which ODOT uses as a "letter of credit" in place of the local subdivision's actual cash payment or "escrow deposit". If your subdivision has already deposited funds to an escrow account with ODOT, they will refund the amount of funds offset by the Commission to the local subdivision.

To facilitate timely payments for this project your vendors are encouraged to enroll in the Ohio Shared Services' EFT Program. This program can reduce processing time by 2-3 business days in that disbursements are completed electronically to your vendor's bank account. The vendor may apply for EFT through our web site's CFO Page (referenced above) which provides the link to Ohio Shared Services. Questions should be directed to them at 877/644-6771.

We will not make a disbursement to any vendor unless we have received and authorized a Request to Proceed. We recommend that you meet with your Project Manager to discuss the Request to Proceed, disbursement process, and your respective responsibilities.

If you have questions, contact your Program Representative, Linda Bailiff, at 614/644-1823. Please reference your project number when calling or writing to us in order to expedite service.

Respectfully,

Michael Miller
Director

Enclosures (5)
Pursuant to the Project Agreement executed for this loan, there are two methods by which funds can be disbursed. The first method is for the Ohio Public Works Commission (OPWC) to pay vendors directly. The second method is for the Commission to reimburse the subdivision after project costs have been incurred and paid by the subdivision. For loans only, the OPWC needs to be formally notified in advance as to which method the subdivision plans to utilize. Please refer to the enclosure entitled "Notification of Disbursement Method" and the accompanying "Instructions for Declaring Official Intent". In deciding which method to use please consider the following:

- Discuss your disbursement options and preferences with your Project Manager, Keith Rogers, prior to making a selection.
- Passing a Resolution of Intent for the entire loan amount doesn't do you any harm and can actually be beneficial in the event the Commission needs to reimburse the subdivision in the event of an overpayment.
- At any point during the life of the project you can always have the OPWC pay contractors directly even if you have passed a Resolution.
- If you need to pass a Resolution, we encourage subdivisions to do so as early as possible. At a minimum, a Resolution must be adopted no later than 60 days after the date of construction related project costs for which the subdivision will seek reimbursement from us.

Promissory Note
The Promissory Note is enclosed. The Chief Financial Officer is required to sign it and return it to the OPWC Loan Officer, Abbey DeHart. It is preferable that you scan and email it to her at Abbey.DeHart@pwc.state.oh.us but may also mail it to the address on our letterhead.

Amortization Schedule
We do not provide an initial amortization schedule but maintain a "Loan Summary Spreadsheet" on our website on the Financial Tab under "Loans". Once your loan is put into billing an amortization schedule will be posted to the same website, with a copy mailed to the Chief Financial Officer the month following project closeout.

Billing
- All invoices are mailed by the Commission on a semiannual basis 45 days prior to the due date. Payments are due on the last business day in January and on July 1st of each year.
- The loan may be paid in full at any time; however, the OPWC does not accept loan payments over the invoiced amount if the loan is not being paid in full.
- Should the repayment amount equal $5,000 or less, it must be paid in two equal payments according to the billing cycle described above.
- We do not accept electronic funds transfers or lock box deposits.

Questions

FOR VALUE RECEIVED, the undersigned (the "Recipient") promises to pay to the order of the Ohio Public Works Commission (hereinafter the "Lender," which term shall include any holder hereof), at its office located at 65 E. State Street, Suite 312, Columbus, OH 43215, or at such other place as the holder hereof may, from time to time, designate in writing, the principal sum of Sixty-Six Thousand, Nine Hundred Ninety-Five Dollars (US$66,995), or so much thereof as shall be advanced by Lender and remain unpaid, together with all costs herein provided and interest from the first day in January or July following project completion and thereon until said amounts have been paid in full at a rate equal to Zero percent (0.00%) per annum, or the "Default Rate" (as hereinafter defined), as the case may be.

Principal and interest due under this Note shall be payable as follows:

The first payment due hereunder shall be made on the last business day in January or the first day in July following the date of project completion, whichever date first occurs, which date shall be referred to herein as the "Initial Payment Date."

After the Initial Payment Date, principal and interest shall be due and payable in equal consecutive semi-annual installments commencing on the last business day in January or July 1 following the Initial Payment Date (the "Second Payment Date") and continuing on the last business day in January and July 1 thereafter until maturity. Subject to adjustment as provided herein, the amount of each such semi-annual installment of principal and interest shall be the amount which would fully amortize the unpaid principal balance of the indebtedness evidenced by this Note as of the Second Payment Date, such amortization to be based upon (i) an amortization period of Ten years (10) commencing on the Second Payment date, except for a zero (0) percent loan which would commence on the Initial Payment Date and (ii) interest being calculated on the basis of thirty (30) day calendar months in a 360 day year; provided that in the event the Lender makes additional disbursements following the Second Payment Date, the amount of the semi-annual installments of principal and interest required hereunder shall be increased to the amount it would take to fully amortize this Note based upon (i) the new principal balance and (ii) the above-referenced amortization period, less the number of years (or parts thereof) which have elapsed since the Second Payment Date. The unpaid principal sum of this Note and all accrued and unpaid interest and other charges hereunder shall be payable in full on the Maturity Date which would be either the last business day in January or July 1 following the loan term. The Recipient acknowledges that if the semi-annual payments set forth above do not fully amortize this Note, the payment due on the Maturity Date will be a balloon payment, consisting of (i) all accrued and unpaid interest and other charges and (ii) the entire unpaid principal balance hereof.

If Recipient shall fail to make any payment hereunder when due, and the same is not corrected within thirty (30) days, then the amount of such default shall bear interest thereafter at the rate of eight percent (8%) per annum (the "Default Rate") from the date of the default until the date of the payment thereof, and the entire principal hereof then remaining unpaid, together with all accrued interest and other charges, shall, at the Lender's option, become immediately due and payable and/or the Lender by and through its Director may, in the Director's sole and complete discretion and in accordance with Section 164.05 of the Ohio Revised Code, direct the county treasurer of the county in which the Recipient is located to pay the amount due hereunder from funds which would otherwise be appropriated to the Recipient from such county's undivided local government fund pursuant to Section 5747.51 to 5747.53 of the Revised Code. The Lender may exercise this option to direct the county treasurer to pay the amount due from the local government fund without any notice or demand during any default by Recipient regardless of any prior forbearance. The lender shall be entitled to collect all costs incurred by the Lender in curing such default, including, but not limited to court costs and reasonable attorney fees from a suit brought to collect this Note. In addition, if the Lender exercises its option to direct the county treasurer to pay the amount due from the local government fund, the Lender shall be entitled to collect all reasonable costs and expenses of any efforts by the Lender to collect the amount due from the local government fund, including but not limited to reasonable attorneys' fees. Lender may, at its option, delay in or refrain from exercising some or all of its rights and remedies without prejudice thereto and regardless of any prior forbearance.
The Recipient and any endorser, guarantor and surety now or hereafter liable for the payment of the principal or interest due on this Note, or any part thereof, does hereby expressly agree that any renewal, extension or modification of the terms of the Project Agreement including the terms or the time for the payment of any part of this Note may be made or extended without notice and without releasing or otherwise affecting liability of said parties on this Note.

**NOTE:** If a project completion report is not received within sixty (60) days from the estimated project completion date the project may be terminated at the sole discretion of the Director. Upon notification of termination a revised amortization schedule will be provided based on the actual amount of OPWC financial assistance borrowed. After project termination no further disbursement activity will be allowed.

The waiver by Lender or failure to enforce any other term, covenant or condition of this Note, or the Project Agreement and all appendices thereto or to declare any default hereunder or thereunder, shall not operate as a waiver of any subsequent default or affect the right of Lender to exercise any right or remedy not expressly waived in writing by Lender. The unenforceability or invalidity of any one or more provisions of this Note shall not render any other provision herein contained unenforceable or invalid.

This Note and all of the Project Agreement and all Appendices thereto have been executed and delivered in the State of Ohio and shall be governed by and construed in accordance with the laws of the State of Ohio. Any notice to the Recipient provided for in this Note shall be given by mailing such notice by certified mail, addressed to the Recipient at the following address: **21 South Broad Street, Canfield, OH 44406**. Any notice to the Lender shall be given by mailing such notice by certified mail, return receipt requested, to the Lender at the address of the Lender as may have been otherwise designated by notice to the Recipient.

This Note was executed in **Mahoning** County, Ohio. The Recipient represents that it has received all of the necessary approvals from its legislative or authorizing body to execute and deliver this Note to the Lender.

Ohio Public Works Commission  
Instructions for Declaring Official Intent for Loan Projects

Due to tax regulations issued by the Internal Revenue Service, the Ohio Public Works Commission (OPWC) must follow guidelines relating to the disbursement of funds to local subdivisions who have received a loan. These regulations apply only when the OPWC is reimbursing the local subdivision for paid construction-related project costs already incurred, including in-kind and force account work.

If the local government does not plan to seek reimbursement from the OPWC for project costs, i.e., the Commission will pay all contractors directly, these regulations do not affect you. If you are not seeking reimbursement, you only need to return the enclosed "Notification of Disbursement Method" to your OPWC Program Representative indicating this choice. NOTE: If you elect to change your selection you must resubmit the form with an adopted Declaration of Official Intent as described below. You may only resubmit if you are within 60 days of the start of construction (see item 2. below).

If the local government plans to seek reimbursement from the Commission for any project construction costs, a "Declaration of Official Intent" (i.e. Resolution) must be adopted. Enclosed is a sample Resolution. If you intend to seek reimbursement, you must return the enclosed "Notification of Disbursement Method" to your OPWC Program Representative indicating this choice AND your passed Resolution.

The Resolution will allow the OPWC and local subdivision to comply with the federal regulations which pertain to the proceeds of tax exempt debt, the funding source for your loan. The "Official Intent" means that at the time the local subdivision makes a payment for construction-related project costs from its own funds, the local subdivision intends to seek reimbursement for those costs from us. Prior to passing the Resolution please keep the following in mind:

1. A Declaration of Official Intent is required only if the local subdivision is planning to seek reimbursement from the Commission for project costs already incurred and paid for by the local subdivision. Payments by the OPWC for in-kind and force account work is considered a reimbursement. If the local subdivision plans to have the OPWC pay contractors directly, check the "will NOT seek reimbursement" box on the Notification of Disbursement Method form and return the form to the OPWC prior to starting work on the project.

2. If seeking reimbursement, the Declaration must be adopted not later than 60 days after the date of construction-related project costs for which the local subdivision will seek reimbursement.

3. Preliminary Expenditures including engineering, survey, soil testing and similar costs are not subject to the Resolution requirement.

4. Reimbursement by the OPWC must occur within 18 months after the latter of (A) the date the project costs are paid by the local subdivision; or (B) the date the project is placed in service or abandoned, but in no event more than 3 years after the project costs are paid by the local subdivision.

5. Not following these procedures may prevent the OPWC from disbursing funds for your project.

6. Complete the italicized sections on the Sample Resolution. A fillable pdf version is available on our web site at http://www.pwc.state.oh.us/  Note that Section 2 requires the estimated maximum amount you expect to receive from the OPWC in the form of a reimbursement. If you think your disbursement process will be a mixture of reimbursements to the subdivision and payments directly to contractors, then pass the Resolution for the entire loan amount. You are then covered regardless of the mix of reimbursements and direct payments during the life of the project.

Re: Project No. CF14T/CF15T

Dear Mr. Rogers:

Canfield Township's request for financial assistance has been approved for the project entitled Starr Centre/Old Tippcanoe Storm/Rd Rehabilitation Phase 1 in the amount of $216,112. The project's Chief Executive Officer, Brian Governor, has been mailed the Agreement for review, execution and return to our office. You may view the Agreement on our web site at http://www.pwc.state.oh.us/.

As the Project Manager designated in the Project Agreement, your role in carrying out the project is important. The following information is available on our web site on the Project Managers page (Project Tab) to assist you.

• Contractual requirements for bid documents.

• In-Kind Contributions Allowable Costs - Information on how to document labor, equipment and materials.

• Instructions for the completion of Appendix E describe how to complete the Appendix E (disbursement form) that is attached to the Agreement. This three-page form must always contain original color-inked signatures of the three authorized authorities. If any of the authorities change we must be notified in writing. The disbursement process is also described in Section VI of the Project Agreement entitled "Disbursements". Your local share of this project will be the percentage of actual costs approved by the Commission based on the Participation Percentages as defined in Section I of the Agreement.

• Request to Proceed form and instructions

• Program Advisories

For projects administered by the Ohio Department of Transportation (ODOT) there is a separate disbursement relationship between the Commission and ODOT. Our office provides ODOT with the Project Agreement which ODOT uses as a "letter of credit" in place of the local subdivision's actual cash payment or "escrow deposit". If your subdivision has already deposited funds to an escrow account with ODOT, they will refund the amount of funds offset by the Commission to the local subdivision.
To facilitate timely payments for this project your vendors are encouraged to enroll in the Ohio Shared Services' EFT Program. This program can reduce processing time by 2-3 business days in that disbursements are completed electronically to your vendor's bank account. The vendor may apply for EFT through our website's CFO Page (referenced above) which provides the link to Ohio Shared Services. Questions should be directed to them at 877/644-6771.

We will not make a disbursement to any vendor unless we have received and authorized a Request to Proceed. We recommend that you meet with the Chief Financial Officer to discuss the Request to Proceed, disbursement process including the disbursement method (Notification of Disbursement Resolution), and your respective responsibilities.

If you have questions, contact your Program Representative, Linda Bailiff, at 614/644-1823. Please reference your project number when calling or writing to us in order to expedite service.

Respectfully,

Michael Miller
