SUBJECT: Notification of Project Approval  
Project No.: CR10P  
Project Name: County Paving

Dear Ms. Parrish-Polen:

Noble County's request for financial assistance has been approved for the project listed above in the amount of $347,800. The project's Chief Executive Officer, Mark Eicher, has been mailed the Agreement for review, execution and return to our office. You may view the Agreement on our web site at http://www.pwc.state.oh.us/.

As the Chief Fiscal Officer designated in the Project Agreement, your role in carrying out the project is important. The following information is available on our web site on the Chief Financial Officers Page (Financial Tab) to assist you.

• Instructions for the completion of Appendix E describe how to complete the Appendix E (disbursement form) that is attached to the Agreement. This three-page form must always contain original color-inked signatures of the three authorized authorities. If any of the authorities change we must be notified in writing. The disbursement process is also described in Section 6 of the Project Agreement entitled "Disbursements". Your local share of this project will be the percentage of actual costs approved by the Commission based on the Participation Percentages as defined in Section 1 of the Agreement.

• Auditor of State Technical Bulletin 2002-04 explains the accounting methods to be used for Commission funded projects.

• W-9 and Vendor Information forms are only required for those vendors who have not done business with the State of Ohio, and if you'll be requesting us to pay your vendors directly.

• A sample "Payment Confirmation letter" which will be mailed to you for all disbursements made for this project. Letters are mailed monthly during the third week for the prior month's activity. Review your letters carefully and advise us of any errors or omissions. Please note that for grant/loan combinations there will be a letter for funds disbursed under the grant number and a separate letter for funds disbursed under the loan. Grant funds are typically drawn on first but exceptions apply, especially if the loan serves as a portion of or all of the required local match.
For projects administered by the Ohio Department of Transportation (ODOT) there is a separate disbursement relationship between the Commission and ODOT. Our office provides ODOT with the Project Agreement which ODOT uses as a "letter of credit" in place of the local subdivision's actual cash payment or "escrow deposit". If your subdivision has already deposited funds to an escrow account with ODOT, they will refund the amount of funds offset by the Commission to the local subdivision.

To facilitate timely payments for this project your vendors are encouraged to enroll in the Ohio Shared Services' EFT Program. This program can reduce processing time by 2-3 business days in that disbursements are completed electronically to your vendor's bank account. The vendor may apply for EFT through our web site's CFO Page (referenced above) which provides the link to Ohio Shared Services. Questions should be directed to them at 1.877.644.6771.

We will not make a disbursement to any vendor unless we have received and authorized a Request to Proceed. We recommend that you meet with your Project Manager to discuss the Request to Proceed, disbursement process, and your respective responsibilities.

If you have questions contact your Program Representative, Kim Killian, at 614/752-8118. Please reference your project number when calling or writing to us in order to expedite service.

Respectfully,

Michael Miller
